

DATA PRIVACY POLICY FOR ADVIR DEMO

We are committed to protecting your privacy. This Data Privacy Policy explains how we use the information we collect about you in accordance with the law. This Policy together with the Terms of Use govern the use of the Advir Demo mobile App (the “App”) and the Services provided by Us (the “Services”). Please read this Policy carefully before using the App and/or the Services. In this Policy, “We”, “Us” and, “Our” refer to Wam Group Ltd, Advir, and its subsidiaries. “User” and “You” refer to the User using the App, Services and/or website and/or contributing content on the App or website.

In the event that a link contained in the App and/or via the Services which redirects User to another website or if User accesses the services of a third party, please be aware that this Policy will not apply to such third party website.

All terms used in this Policy shall have the same meanings as in the Terms of Use and are incorporated by reference.

DATA COLLECTION

We collect, process and store User’s data which User voluntarily submits to Us. This data is used to implement our agreement for the use of the App and/or the Services in accordance with Advir Demo’s Terms of Use. For example, we collect personal data upon registration in accordance with the Terms of Use. When you register to our mailing list, or to access our Administration panel online, you authorise us to collect your authentication information. Personal data may include your email address, name, username, friends’ names, profile pictures, gender, networks, date of birth, country and hometown.

When you visit our website www.advir.co or related subdomains, your browser automatically forwards the IP address, browser version, screen resolution and operating system of the device you used to access the website, as well as the time, date and duration of the visit to the website. We use this information to optimize our websites and User experience. We also collect other non-personal information such as cookies and statistical information such as date, time, pages used, total time of use and frequency of use.

This data is used for statistical analysis and for anonymous data records. IP addresses and other information are saved in compliance with our data storage legal obligations and stored to secure data and ensure our system’s stability and reliability.

We may also use your IP address and the corresponding internet information to identify, track and cease use of multiple accounts for fraudulent purposes.

COOKIES

Cookies are small files that enable Us to record certain information about User’s device. Most cookies are automatically deleted when you close the browser or exit any websites operated by Us. However, some cookies may be stored for a longer period. We employ the use of cookies to optimize the use of our website, the App and the Services especially to provide the best User experience. By accepting the provisions of this

Policy, you authorize the use of cookies. At any point you request further information or object to the use of cookies by sending an e-mail to contact@advir.co.

DATA DISCLOSURE TO THIRD PARTIES

Using the App and Services allows User to share information with others.

Any information or content that User voluntarily discloses, such as uploading images on the Administration panel and displaying them in Virtual Reality, shall become publicly available as controlled by any applicable privacy settings set by User and User agrees that Wam Group Ltd may be compensated for such content by commercial users of the App or Services without compensation to User. We may also use such publicly available User Content to promote the App or Services.

By using the App and/or the Services, User agrees to allow us to disclose User's personal data to the following unless User informs Us otherwise:

- IT service providers, such as email providers and host providers, who are legally bound to manage your personal data in a confidential and secure manner.
- External companies, for marketing purposes, which are in a contractual relationship with Us to further develop the App, its features and to improve the Services. These external providers are also obligated to handle User's data confidentially and securely, and may only use User's data insofar as it is required for completing their directive. to respond to legal process (e.g. a court order), comply with mandatory legal requirements, protect the rights, safety or property of any person including Wam Group Ltd and its personnel and to enforce our Terms of Use.
- To respond to legal process (e.g. a court order), comply with mandatory legal requirements, protect the rights, safety or property of any person including Wam Group Ltd and its personnel and to enforce our Terms of Use
- To a third party, who will be required to abide by this Policy, when we sell all or a section of our business or assets

If you do not wish us to use your data in any manner as described above please contact us at contact@advir.co.

CONSENT REVOCATION & DATA DELETION

User's consent to process personal data may be revoked at any time. User data will be deleted subject to legal storage requirements or if required for billing purposes. However, if User's consent to process personal data may be withdrawn at any time.

INFORMATION REQUEST

User may request information of all the personal data that is stored about him/her. This information will be sent to User in electronic form, usually via email.

MODIFICATIONS

We reserve the right to amend this Policy at any time in accordance with applicable data protection laws and regulations. Should you have any questions please contact us at contact@advir.co.
